## PENGUIN RANDOM HOUSE AUDIO TO PUBLISH *EVERYBODY IS A LIAR*, AUDIOBOOK ORIGINAL THRILLER BY LIV CONSTANTINE

NEW YORK, NY (September 25, 2024) – Penguin Random House Audio will publish *Everybody Is a Liar* (Random House Audio, on sale November 12, 2024), a new audiobook original thriller by Liv Constantine, *New York Times* bestselling author of *The Next Mrs. Parrish*.

Liv Constantine is the pen name of sisters Lynne Constantine and Valerie Constantine, whose books have been translated into 29 languages, are available in 34 countries, are in development for both television and film, and have been praised by *The Washington Post*, *USA Today*, *People*, *Good Morning America*, *Newsweek*, *Bustle*, and more. Their first novel, *The Last Mrs. Parrish*, was a Reese's Book Club Pick and is soon to be adapted for Netflix.

*Everybody Is a Liar*, a spellbinding story of betrayal and deceit, centers on Julie Buckley, a successful mystery writer. When Julie suspects her husband of cheating, she turns to her best friend, Darby, for advice. When Darby suggests couples therapy, Julie and Oliver find themselves discussing Oliver's betrayal with their new therapist, Liza. Liza is competent and reassuring, and her advice and Oliver's openness to change seem to be helping the couple rebuild their relationship.

But when murder strikes in this small Connecticut town, Liza begins to worry there is a connection between Oliver and another one of her patients, and the confidences they have shared with her become the key to solving the murder. As Liza digs deeper, she comes to believe that everybody is a liar.

The audiobook is narrated by a cast of five voices, including:

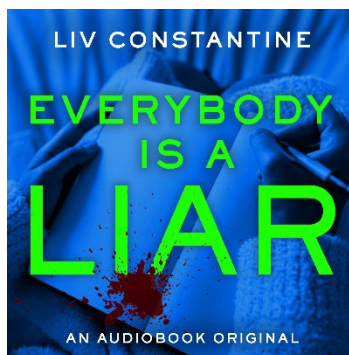

**Saskia Maarleveld** as Julie  
**Dallis Seeker** as Oliver  
**Shayr Guthrie** as Darby  
**Barrie Kreinik** as Liza  
**Jennifer Jill Araya** as the Narrator

Constantine says, "I was drawn to the idea of a therapist being the one to discover a potential deadly collusion between two different patients and how she would draw the line between professional and moral obligation. Audio is the perfect vehicle to make the listener privy to the secrets and deceptions shared in a therapy session."

Amanda D'Acierno, President, Penguin Random House Audio, Global, says "With *Everybody Is a Liar*, audiobook listeners are in for a signature Liv Constantine thriller full of twists and suspense. You won't be able to put your headphones down!"

Penguin Random House Audio's audiobook-exclusive and audio-first publishing program includes titles with authors like Ali Hazelwood, Erik Larson, Fiona Davis & Greg Wands, Kate Winkler Dawson, Kim Harrison, Najwa Zebian, Nick Offerman, *Star Wars*™, MeatEater's Steven Rinella, and more.
