Perelman is the creator of the award-winning blog *Smitten Kitchen*. For nearly two decades *Smitten Kitchen* has taught readers how to cook, shown them how to be unafraid of the kitchen, and shared recipes that they can come back to again and again. In her new podcast *The Recipe with Kenji and Deb*, she and J. Kenji Lopez-Alt obsess over the recipes they love so you don't have to.

"A 'kitchen counter conversation' is the way regular people with regular lives talk about how they're going to make breakfast, lunch, or dinner, and they've always been my north star in the kitchen," Perelman says. "In this special audio edition, I hope you feel like you're pulling up a chair to the kitchen counter for a chat, with a level of stories, insight, and extra details that would have never made the cut in a 336-page book."

Penguin Random House Audio President, Global Amanda D'Acierno says, "We know many audiobook fans enjoy listening in the kitchen and are excited to partner with Deb on this expanded audiobook edition of *Smitten Kitchen Keepers* that will bring her right into the kitchen with you."

Penguin Random House Audio's audiobook-exclusive and audio-first publishing program includes titles with authors like Ali Hazelwood, Erik Larson, Fiona Davis & Greg Wands, Kate Winkler Dawson, Kim Harrison, Najwa Zebian, Nick Offerman, Star Wars™, MeatEater's Steven Rinella, and more.
